**The Alumni Feedback 2018-19.**

These are some of the opinions that our passed out students have expressed for the institute.

Opinion given by the Student.	I have completed by graduation from this college. Very supporting teachers and they provided proper guidance. Currently I am working as an assistant manager in Mahindra & Mahindra. Thank you SCOE.
	Good profile job and company
	Teaching faculty is more supportive
	This institute helped all of us to enhance our engineering career and teaching staff helped us to complete this journey smoothly even in CORONA days.
	Throughout my career as an experienced professional, I have had the opportunity to work on numerous impactful projects and achieve significant milestones.
	Teaching staff is very good and friendly helpful staff
	Promoted Engineer Grade to Manager Grade
	Very Good to enhance technical skills in professional life
	One of the greatest achievement in my life
	I m working at IQVIA MNC company
	All Teaching staff supporting and Good.
	Hands on lab practical helped me for being technically strong in my professional Career.
	BIM (building information modeling).
	I'm working as a Software Engineer in Accenture since 2.5 years. When I was a fresher I got selected in 3 organisations which are IBM, Infosys and Accenture. Being fresher at that time and getting selected by these top 3 MNC's was my great achievement.
	Looking forward for an Alumni meet.
	I've been promoted to Senior Project Manager, Vehicle integration group for Gen4 Born EV P1. Project at Tata JLR in AME (Body in White) domain post passing this B. Tech Degree in Mechanical
	Achievements in sports..
	Senior Officer at skoda volkswagen
	I m currently working in TCS before this worked in Capgemini as SAP ABAP developer.
	Yes it will be beneficial to career ahead

**The Alumni Feedback 2019-20.**

These are some of the opinions that our passed out students have expressed for the institute.

Opinion given by the Student.	I have completed by graduation from this college. Very supporting teachers and they provided proper guidance. Currently I am working as an assistant manager in Mahindra & Mahindra. Thank you SCOE.
	Good profile job and company
	Teaching faculty is more supportive
	This institute helped all of us to enhance our engineering career and teaching staff helped us to complete this journey smoothly even in CORONA days.
	Throughout my career as an experienced professional, I have had the opportunity to work on numerous impactful projects and achieve significant milestones.
	Teaching staff is very good and friendly helpful staff
	Promoted Engineer Grade to Manager Grade
	Very Good to enhance technical skills in professional life
	One of the greatest achievement in my life
	I m working at IQVIA MNC company
	All Teaching staff supporting and Good.
	Hands on lab practical helped me for being technically strong in my professional Career.
	BIM (building information modeling).
	I'm working as a Software Engineer in Accenture since 2.5 years. When I was a fresher I got selected in 3 organisations which are IBM, Infosys and Accenture. Being fresher at that time and getting selected by these top 3 MNC's was my great achievement.
	Looking forward for an Alumni meet.
	I've been promoted to Senior Project Manager, Vehicle integration group for Gen4 Born EV P1. Project at Tata JLR in AME (Body in White) domain post passing this B. Tech Degree in Mechanical
	Achievements in sports..
	Senior Officer at skoda volkswagen
	I m currently working in TCS before this worked in Capgemini as SAP ABAP developer.
	Yes it will be beneficial to career ahead

**The Alumni Feedback 2020-21.**

These are some of the opinions that our passed out students have expressed for the institute.

Opinion given by the Student.	I have completed by graduation from this college. Very supporting teachers and they provided proper guidance. Currently I am working as an assistant manager in Mahindra & Mahindra. Thank you SCOE.
	Good profile job and company
	Teaching faculty is more supportive
	This institute helped all of us to enhance our engineering career and teaching staff helped us to complete this journey smoothly even in CORONA days.
	Throughout my career as an experienced professional, I have had the opportunity to work on numerous impactful projects and achieve significant milestones.
	Teaching staff is very good and friendly helpful staff
	Promoted Engineer Grade to Manager Grade
	Very Good to enhance technical skills in professional life
	One of the greatest achievement in my life
	I m working at IQVIA MNC company
	All Teaching staff supporting and Good.
	Hands on lab practical helped me for being technically strong in my professional Career.
	BIM (building information modeling).
	I'm working as a Software Engineer in Accenture since 2.5 years. When I was a fresher I got selected in 3 organisations which are IBM, Infosys and Accenture. Being fresher at that time and getting selected by these top 3 MNC's was my great achievement.
	Looking forward for an Alumni meet.
	I've been promoted to Senior Project Manager, Vehicle integration group for Gen4 Born EV P1. Project at Tata JLR in AME (Body in White) domain post passing this B. Tech Degree in Mechanical
	Achievements in sports..
	Senior Officer at skoda volkswagen
	I m currently working in TCS before this worked in Capgemini as SAP ABAP developer.
	Yes it will be beneficial to career ahead

The Alumni Feedback 2021-22.  
These are some of the opinions that our passed out students have expressed for the institute.

Opinion given by the Student.	I have completed by graduation from this college. Very supporting teachers and they provided proper guidance. Currently I am working as an assistant manager in Mahindra & Mahindra. Thank you SCOE.
	Good profile job and company
	Teaching faculty is more supportive
	This institute helped all of us to enhance our engineering career and teaching staff helped us to complete this journey smoothly even in CORONA days.
	Throughout my career as an experienced professional, I have had the opportunity to work on numerous impactful projects and achieve significant milestones.
	Teaching staff is very good and friendly helpful staff
	Promoted Engineer Grade to Manager Grade
	Very Good to enhance technical skills in professional life
	One of the greatest achievement in my life
	I m working at IQVIA MNC company
	All Teaching staff supporting and Good.
	Hands on lab practical helped me for being technically strong in my professional Career.
	BIM (building information modeling).
	I'm working as a Software Engineer in Accenture since 2.5 years. When I was a fresher I got selected in 3 organisations which are IBM, Infosys and Accenture. Being fresher at that time and getting selected by these top 3 MNC's was my great achievement.
	Looking forward for an Alumni meet.
	I've been promoted to Senior Project Manager, Vehicle integration group for Gen4 Born EV P1. Project at Tata JLR in AME (Body in White) domain post passing this B. Tech Degree in Mechanical
	Achievements in sports..
	Senior Officer at skoda volkswagen
	I m currently working in TCS before this worked in Capgemini as SAP ABAP developer.
	Yes it will be beneficial to career ahead

**The Alumni Feedback 2022-23.**

These are some of the opinions that our passed out students have expressed for the institute.

Opinion given by the Student.	I have completed by graduation from this college. Very supporting teachers and they provided proper guidance. Currently I am working as an assistant manager in Mahindra & Mahindra. Thank you SCOE.
	Good profile job and company
	Teaching faculty is more supportive
	This institute helped all of us to enhance our engineering career and teaching staff helped us to complete this journey smoothly even in CORONA days.
	Throughout my career as an experienced professional, I have had the opportunity to work on numerous impactful projects and achieve significant milestones.
	Teaching staff is very good and friendly helpful staff
	Promoted Engineer Grade to Manager Grade
	Very Good to enhance technical skills in professional life
	One of the greatest achievement in my life
	I m working at IQVIA MNC company
	All Teaching staff supporting and Good.
	Hands on lab practical helped me for being technically strong in my professional Career.
	BIM (building information modeling).
	I'm working as a Software Engineer in Accenture since 2.5 years. When I was a fresher I got selected in 3 organisations which are IBM, Infosys and Accenture. Being fresher at that time and getting selected by these top 3 MNC's was my great achievement.
	Looking forward for an Alumni meet.
	I've been promoted to Senior Project Manager, Vehicle integration group for Gen4 Born EV P1. Project at Tata JLR in AME (Body in White) domain post passing this B. Tech Degree in Mechanical
	Achievements in sports..
	Senior Officer at skoda volkswagen
	I m currently working in TCS before this worked in Capgemini as SAP ABAP developer.
	Yes it will be beneficial to career a head

## Student's comments

AY 2022-23 SEM-II

Date:- 17-7-2023

### Div A and B

- 1] please complete syllabus in time
- 2] Maths syllabus should be completed early.
- 3] Depth preparation is lacking from maths and Bk teacher
- 4] More celerity in PPS and EGR subject
- 5] Bk Bajare madam try to speak in English
- 6] Kute sir is more comfortable with students and giving knowledge to the students good.
- 7] Tekale sir having good knowledge but cant express it to students.
- 8] Give 2-3 teachers to PPS subject.
- 9] Kute sir is Excellent teacher.
- 10] Bk teaching is very fast

### Div A and B

- 1] All teachers are great and understanding but personally I think that Patil madam and Phutane sir can do much better and More sir can be a little friendly with students
- 2] College is getting better day by day.
- 3] Teaching Method of Chemistry and EGR teachers are very good.
- 4] Exam time not supporting staff
- 5] Prof Karale sir has made our maths easy
- 5] Prof. Phutane sir has lot of knowledge but don't know how to express
- 6] Should use some digital equipment for better understanding.
- 7] We want Karale sir for M-3
- 8] Overall teachers are very good... !
